

Motor Caravan Section 59th National Rally
Driffield Showground, East Yorkshire YO25 9DN
3rd - 7th June 2021
Hosted by Northern Area

Despite the restrictions that are still in force a 'reet' warm welcome awaits us all at Driffield the "Capital of the Wolds". Driffield, which lies close to the major cities of Kingston upon Hull and York and only 12 miles from Bridlington on the glorious East Coast. The showground, which is on the southern edge of the town, well drained with excellent facilities. Driffield's unique blend of shops means the town has something for everyone which set it apart from other cloned town centres. It has a Street Market every Thursday and a Farmers Market at the showground on the first Saturday of the month. There is a wide selection of cafes, restaurants and public houses where visitors can take a relaxing break. Alternatively, visitors can relax in the tranquility of Riverhead or the Millennium Green, or can be more energetic by taking one of the interesting walks around town. There are excellent buses and train services to Bridlington, Scarborough, York, Beverley & Kingston upon Hull. The coast changes from the golden sands of Bridlington Bay in the south to the impressive cliffs of Flamborough Head and the RSPB Sanctuary at Bempton Cliffs to the north. The Wolds offer miles of leafy trails and stunning walks over the rolling hills. There are a number of stately homes open to the public - Sledmere House and Burton Agnes both nearby Camping at Driffield will continue until the opening of our follow on meet which is from Thursday 10th to Tuesday 15th June at Sutton on the Forest just north of York with a regular bus service into York. Whilst we are not able to have the entertainment and the coach trips that were planned for this meet, we are sure that there is plenty on offer for you to come and join us for a holiday in this beautiful part of the country. Please note this is a members only event that must be pre-booked. This event is being operated at a 'Pop Up' Camp site in accordance with the Guidelines of our Club. Remember to bring your PPE & Hand sanitiser. Your own sanitation is essential. Membership numbers must be given/produced for all members attending this meet. Please complete the form below and return to Carol Rowley, 19 Ruskin Avenue, Wakefield WF1 2BD - Cheques are to be made payable to Northern Area Motor Caravan Section.
